I HAD

Saturday evening

Hi -

Some of the guys are cooking - spaghetti of course -
and so I took a few minutes to send you a note.
We all missed you. We have an almost full house,
and by tomorrow the couches and maybe the floor
will be taken - but we would have made room ^{over} for
a big guy like you.

I hope you are taking the Mount in stride. I have
no doubt that you'll handle it - and handle it well -
as I wouldn't have sent you there. Just work it at
day by day and do your best. Don't let the work-load
overwhelm you and please make sure that you take
the time to keep in shape. A little exercise will go a
long way to clear the head and keep your feet on the
ground.

I'm sorry you weren't able to come. I would
have been glad to have a visit with you. If you

have some time in October during the break,
some of the crew might be coming away for a
couple of days fishing with me. Let me know if
you're interested.

Be good. Relax in the Lord!

Have confidence.

God bless.

My Friend

P.S. Do you ever get my letter?
